The Peck Cemetery is located on the south side of State Aid Highway #3 about eight tenths of a mile from the Calais Town line and the village of Adamant. It is on the farm first settled by Nathaniel Peck in 1788 and owned in 1994 by a descendant, Joanne Hill Bair and her husband Roy. It is in poor condition with at least forty-three unmarked slate stones. In recent years some attempt has been made to mow and straighten stones but now the farmer's corn field is prohibitive of much work.
